Study Ideas:

Opposites
Measuring
Weather

Studies are subject to change based on student interest.

If you didn't get signed up for Kindergarten, please call the Elementary schools and get that done as soon as possible! Round up will be coming up soon and you will want to be on the list. If you are unsure about Kindergarten or Preschool next year, please sign up for both! Please let us know if you have questions!

Dental Health

Last month we visited the dentist and learned about dental health. We also have a visit from ISmile coming up! All children will need to have a dental screening before Kindergarten. If you need help finding a dentist, please let us know!

We are NOW accepting applications for the 2019-2020 school year!! Please let us know if you (or anyone you know) need one!

Outside Time

As the snow begins to melt (hopefully) we will begin to go back outside on our playground as we can! Sometimes it can be muddy out there so feel free to send boots with your child to wear out there when we go out. The teachers will assess daily if it is too muddy or chilly for us to be out there. Please make sure your children have coats, hats and gloves for when we do go out! We will put on the white board on the sign in table where we are! On the days that we go outside, we will have the clip board with us so you can come to the playground and sign them out!
