Dental Health

Last month was dental health month. Dental Associates sent over a bag of goodies for each student! Every child has to have a dental exam to go to Kindergarten. Please get those scheduled!

Outside Time

We will continue to go outside everyday unless it is raining! Please make sure your child has the right clothing to keep them warm and dry. Boots are a good suggestion as the snow melts and it's rainy. We are typically outside for 30 minutes.

Learning Conversation Skills:

We work on conversation and language skills a lot at preschool! Learning the proper skills to a conversation are super important. Conversation skills are about being able to talk and listen well to others.

This involves:

- learning to start conversations appropriately
- knowing how to get attention the right way-managing interruptions
- using eye contact
- taking turns talking and listening
- speaking politely

Knowing when to stop talking

Here is a link to a great article that goes more in depth about these points!
