THERE'S NOTHING IN MY BAG TODAY

Today I did my math and science, I toasted bread.
I counted, measured, used my eyes, and ears and
head.

I added and subtracted on the way,
I used a magnet, blocks and memory tray.
I learned about a rainbow and how to weigh.
So please don't say, anything in your bag today?

You see I'm sharing as I play.
I learned to listen and speak clearly when I talk,
To wait my turn, and when inside to walk.
To put my thoughts into a phrase,
To guide a crayon through a maze.
To find my name and write it down,
To do it with a smile and not a frown.
To put my pasting brush away,
So please don't say, what, nothing in your bag
today?

I've learned about a snail and a worm,
Remembering how to take my turn.
Helped a friend when he was stuck,
Learned that water runs off a duck.
I looked at words from left to right,
Agreed to differ, not to fight.
So please don't say, did you only play today?

Birthday Time!!

We will be providing a fun preschool snack for their birthday, or half birthday! They will get to pick which snack they want to have with their friends. We also sent home a birthday celebration sheet for them to pick a birthday celebration! Please return that sheet the first week of preschool. All birthdays will be posted on the Monthly Newsletter calendar so you know when we are celebrating their special day!

Paperwork Reminder:
Please have all paperwork including physicals and immunizations in by September 30th. If you have questions, please see the teachers.

Facebook!!

We have created a private Facebook group for our preschool families. We will share lots of pictures, fun ideas and classroom information here. It is not able to be viewed by the public, just preschool families. You are able to post fun things that your children are doing at home also! Please get signed up into the group before school starts. Search UCC Preschool Families 2020-21.

Masks/Face shields:

Remember that students are required to wear a mask or face shield everyday at preschool! We have a face shield for each child and ask that you send your child to school with a mask on every day. They will be able to interchange as they need to throughout the day.
